

# Tongala

## Public Swimming Pool Overview

### Overview

The 2018 Aquatic Facilities Review identified the Tongala swimming pool and its facilities require complete renovation to meet minimum industry standards.

- Pool and buildings require extensive overhaul
- The area fails to meet disability access requirements
- The pool infrastructure (eg. pumps and filters) is deteriorating and frequently break down.

### Requirements

!	✓	✓✓
<b>Immediate</b> maintenance works required	To meet <b>minimum</b> compliance requirements	To meet the <b>minimum</b> industry standards
Cost: \$40,000	Cost: \$246,000	Cost: \$777,000

### Income versus Cost

	2018/19	2019/20	2020/21
<b>Income</b> ▲	\$13,203	\$12,059	\$11,403
<b>Cost</b> ▼	\$113,940	\$119,577	\$120,976

### Loss per Visit

	2018/19	2019/20	2020/21
<b>Total visits</b> ▲	1,623	1,735	910
<b>Loss per visit</b> ▼	\$62.07	\$61.97	\$120.41

### Fast Facts

- › Tongala Primary School used the pool for one day during December 2020, as well as their swimming carnival
- › No classes or programs are offered at the pool
- › The pool was built in 1958
- › Open from November to March each year
- › The majority of users come from within a radius of 15km
- › All seven outdoor pools are (on average) 50+ years old

There is currently  
**1 pool**  
(private & commercial)  
for every  
**15 people**  
in Campaspe,  
with that number set to increase
