Permit Conditions

The following conditions shall apply to all approvals for livestock grazing permits unless expressly excluded, amended or varied in the approval. The approval holder shall:

1. Insurance
 - (a) The permit holder shall take out, and maintain during the currency of the permit, in the name of the permit holder a policy of insurance to the value of at least \$10,000,000 against liability for property damage which may arise or could be held to arise from any act allowed by the permit.
 - (b) The policy cannot be cancelled without notice to Council.
 - (c)
2. Road Safety Act

Ensure that the provisions of the Road Safety Act and all regulations made thereunder complied with at all times.
3. Road Management Act

Ensure that the provisions of the Road Management Act 2004 and all regulations made thereunder are complied with at all times.
4. The movement of livestock to and from grazing areas shall comply with General Local Law No. 9 2022.
5. The grazing of livestock on roads shall only be permitted in daylight hours between the hours of sunrise and sunset.
6. Responsible Person

Ensure a minimum of one responsible person shall be in attendance and supervise the livestock at all operative times.
7. Damage to Roadway, Road Reserve and Native Flora

Ensure there is no damage caused to:

 - (a) the roadway;
 - (b) any native flora;
 - (c) the road reserve;

Council shall set such conditions in the approval as they consider appropriate to protect and avoid such damage.
8. Permission Required

Grazing on roadsides adjacent to a property owned by a person other than the permit holder shall require the written permission from that person.
9. Livestock grazing shall only be permitted on the roads stated on the permit.
10. No bull shall be permitted to graze on any road.
11. Fences

Grazing animals shall be controlled by a temporary fence constructed and maintained to the requirements of Council.
12. Permit

A grazing permit shall be issued for a period of 12 months or a lesser period if stated on the permit.
13. Traffic Warning Devices
 - (a) Ensure that all signs, poles and other warning devices required by this Local Law, this Code of Practice or any other legislation are properly installed and maintained.
 - (b) Any illegal or incorrect signage may be removed by Council at the cost of the approval holder.
 - (c) Ensure all signs, poles and other warning devices shall be removed by the approval holder at the expiration of the approval or as required by Legislation.
14. The maximum number of animals for which a livestock grazing permit will be issued shall be determined by Council.
15. Compliance with the Livestock Code of Practice.
