

Report and Consent - Assessment Criteria

Application for Council to vary requirements of Part 5, 6, 7, 8 & 10 of the Building Regulations 2018

Regulation 80 – Walls and carport on boundaries

When considering varying a design and siting standard, Council must have regard to the **objectives and decision guidelines** set by the Minister for Planning in the Minister's Guideline MG/12.

To assist Council in determining if the guidelines have been met, please describe how your application meets the following assessment criteria. If the criteria is not applicable, please explain why.

Failure to meet guidelines may result in Consent being refused.

Please provide the property details

Objective

To ensure that the location, length and height of a wall on a boundary respects the existing or preferred neighbourhood character and limits the impact on the amenity of existing dwellings:

Decision Guidelines

a) *the location, length and or height of the wall will be appropriate taking into account the prevailing location, length and or height of boundary walls of existing buildings on nearby allotments; or*

Comment
