

## Traffic Management Conditions

1. This authority is valid .....
2. Victoria Police and all relevant local authorities have given permission for the event pursuant to Regulation 403 of the Road Safety (Road Rules) Regulations 1999.
3. That a copy of this authority is produced on demand to any member of the police force or to any person who is an authorised officer under section 71 of the **Road Management Act 2004**.
4. The event organisers have appropriate and adequate Public Liability insurance cover for the type of event proposed in the correspondence with an indemnity of not less than ten million dollars (\$10,000,000) **including an indemnity for Campaspe Shire Council**.
5. Any lawful direction/s of members of the Victoria Police, VicRoads and Campaspe Shire Council Officers must be complied with at all times.
6. All traffic management shall be in accordance with the Road Management Act 2004 Worksite Traffic Management - Code of Practice, approved by Campaspe Shire Council, the Victoria Police and the VicRoads.
7. The approved location, time and nature of the event, as identified in the correspondence, are not to be changed unless Campaspe Shire Council approval is obtained and/or directed by a member of the Victoria Police and/or VicRoads Officer/s.
8. The event is conducted in a manner that results in the minimum of inconvenience to other road users.
9. Participants in the event are to obey the road rules and comply with any lawful direction issued by Victoria Police, and/or authorised Campaspe Shire Council and/or Vicroads officers.
10. In the interests of the safety and security of all stakeholders, the organisers are to ensure, wherever possible, that all participants are registered for the event.
11. Participants should be informed, on the day of the event and prior to the start, of the consent conditions and of general conduct requirements.
12. Any public transport authorities that may be affected and emergency service organisations are informed of the event and, where any of these authorities or organisations is affected, their approval/s must be obtained.
13. The organisers are to inform and consult with all owners and/or occupiers within the immediate vicinity of the route. Where owners and/or occupiers are directly affected by the event, for example due to a road closure or detour, their written agreement must be obtained and any concerns they raise addressed to a reasonable satisfaction. Any concerns raised by owners/occupiers that are not satisfactorily resolved must be notified to Campaspe Shire Council.

14. No marking, sign or other structure is to be drawn on or attached to any road pavement, road furniture, structure, pole, tree, etc. and no structure, prop, sign or other item is to be erected unless written approval is obtained from the relevant authority.
15. The organisers ensure that due care is exercised at all times, with the protection of all vegetation and geographical features in the area being a prime consideration.
16. The organisers ensure that they comply with all the conditions of the current Environment Protection Act and all other relevant Acts and Codes.
17. The organisers agree that at the conclusion of the event/s all displays and promotional material, rubbish and other equipment associated with the staging of the event/s is to be removed and the area/s left in a clean and tidy condition.
18. The organisers agree to reimburse Campaspe Shire Council with any cost that Campaspe Shire Council may incur if it is required to return any area/s used for the staging of the event/s to their original condition.
19. Campaspe Shire Council reserves the right to amend this approval at any time should circumstances arise that endanger the public or if the intent of the scheme is not complied with.
