

Lockington

Public Swimming Pool Overview

Overview

The 2018 Aquatic Facilities Review identified the Lockington swimming pool and its facilities require complete renovation to meet minimum industry standards.

- Pool and buildings require extensive overhaul
- The area fails to meet disability access requirements
- The pool infrastructure (eg. pumps, filters, lighting, seating) require extensive overhaul.

Requirements

!	✓	✓✓
Immediate maintenance works required	To meet minimum compliance requirements	To meet the minimum industry standards
Cost: \$30,000	Cost: \$354,000	Cost: \$832,000

Income versus Cost

	2018/19	2019/20	2020/21
Income ▲	\$12,820	\$13,773	\$15,607
Cost ▼	\$88,023	\$95,880	\$93,079

Loss per visit ▼	\$43.10	\$55.29	\$90.93

Fast Facts

- › The Lockington Primary School delivers their own Learn to Swim program using their own providers.
- › No classes or programs are offered at the pool
- › The majority of users come from within a radius of 15km
- › All seven outdoor pools are (on average) 50+ years old
- › The pool was built in 1967

There is currently
1 pool
(private & commercial)
for every
15 people
in Campaspe,
with that number
set to increase
