

Rushworth Rail Trail

Project Update - April 2024

The contract for the Rushworth section of the Rail Trail project has been awarded to Earthworks Civil & Construction (ECC). ECC is currently finalising the High Street works in Rushworth. The Rushworth section of the Rail Trail works will include:

- Removal of one Railway line from High Street in Rushworth to just past the brick culvert, to enable a 2.5m shared path to be constructed.
- Installation of 1km of asphalt path from High Street to the Bendigo—Murchison Road crossing.

Artists impression of the asphalt Rail trail at High Street, Rushworth.

- Construction of footpath and road intersections including High Street, Muhlans Street and the Bendigo - Murchison Road.
- Regulatory signage and line marking.

The works are scheduled to commence late April and be completed in July 2024.

Please note that the pedestrian level crossing and Muhlans Street will be closed during the works, however High Street, the pedestrian overpass and other existing footpaths will remain open.
