

From Council:

# Echuca Village & Kanyapella Recovery Update

## June - July 2023

For all enquiries and requests, contact Council on 1300 666 535.

### Australian Insurance Council Forum

Need help with your insurance claim? The Australian Insurance Council and insurers will be available for in-person consultations between **Monday,**

**24 and Thursday, 27 July**, from 10.00am-6.00pm each day at the Rochester Shire Hall, 45 Mackay Street, Rochester.

For more information and to make an appointment with your insurer, please visit

[www.insurancecouncil.com.au/bookings](http://www.insurancecouncil.com.au/bookings).

### Flood Inquiry Submissions

Thank you to everyone who took the time to lodge a submission to the Inquiry into the 2022 Flood Event in Victoria. While the statistical data speaks volumes about the devastating asset losses, it's only through the stories of local residents, businesses, farmers, teachers, community groups and others impacted by the floods that the human toll can be truly understood. Your experiences and insights will now inform the committee's recommendations to better protect our communities from such disasters into the future. At the time of writing, of the more than 750 submissions received to date, about half are from Rochester alone. You can read many of submissions online at <https://new.parliament.vic.gov.au/get-involved/inquiries/floodinquiry/submissions>.

### Primary Producer Grants Closing Soon

Applications for primary producer and rural landholder financial supports related to the October 2022 to 13 January 2023 flood and storm event close at **4pm, 13 July 2023**.

- **Primary Producer Recovery Grants:** Up to \$75,000 grants to cover the cost of recovery and get businesses up and running again.
- **Rural Landholder Grants:** Up to \$25,000 grants to cover the costs of disaster impacts for small-scale producers.
- **Primary Producer Concessional Loans:** Up to \$250,000 to restore or replace damaged equipment and infrastructure, or to cover the short-term business expenses.
- **Primary Producer Transport Subsidies:** Up to \$15,000 to support the transport of emergency fodder or stock drinking water, and the movement of livestock.

For more information or to apply for support, visit [www.ruralfinance.com.au](http://www.ruralfinance.com.au).

### Flood Inquiry Public Hearings

The Legislative Council Environment and Planning Committee is holding public hearings for the Inquiry into the 2022 Flood Event in Victoria in the Shire of Campaspe as follows:

- Rochester – Wed, 23 August 2023
- Echuca – Thurs, 24 August 2023

More information about the public hearings, including venues, times and a list of witnesses will be published at <https://new.parliament.vic.gov.au/get-involved/inquiries/floodinquiry/hearings>.

## New Community Recovery Hub

Since the October floods, impacted people have been able to access support and resources from temporary community recovery hubs. With Victorian Government funding, Council has now set up a fit-for-purpose community recovery hub at 48 Mackay Street in Rochester. The hub will be staffed five days a week by dedicated community recovery officers and a range of Council, government and professional support services will be delivered from the venue, including a mobile outreach unit. To contact the Rochester Recovery Hub please call 1300 666 535 or email [shire@campaspe.vic.gov.au](mailto:shire@campaspe.vic.gov.au).

Lachlan Cozens, Council's Flood Recovery Team Leader, will be located at the Rochester Recovery Hub.

## Echuca Regional Health Flood Recovery Program

ERH's Flood Recovery Program can be accessed through the Victorian Government hotline on 1800 560 760, by referral from other service providers, through local recovery centres, or by self-referral.

The ERH Flood Recovery Support office operates Monday to Friday, from 8.30am-4.30pm. For information, call 5485 5421.

---

## Urgent Road Works

Emergency repair works have recently been completed at the following locations:

- Bangerang Road
- Watson Road
- Mitchell Road
- Lady Augusta Road
- Day Road
- Debris removal at Stewarts Bridge (ongoing)

Works are expected to be undertaken in the next few weeks at the following locations:

- Bangerang Road (ongoing)
- Mitchell Road

## Mental Health Support

For local mental health support Monday to Friday, from 9.00am-5.00pm, please call Echuca Regional Health (ERH) on 5485 5800. You can also contact your local GP or Headspace Echuca for those aged 12-25 years. Other support lines include Beyond Blue on 1300 224 636 or Lifeline on 131 114. For more information, scan the QR code.

## Flood Advocacy

We are delighted that two of Council's funding applications to the state and federal governments have been successful. An amount of \$1.087 million has been awarded under Round One of the Disaster Ready Fund (DRF) for:

- review and updating of the Echuca Moama Torrumbarry Flood Study
- preparation of a Flood Risk Management Plan.
- purchase of demountable levee panels.

An amount of \$110,000 was also awarded under the Connecting Community to Builders Program. This will help flood-impacted residents to rebuild their homes by linking them to local trades in the area, and assist Council to process the increase in planning and building permit applications.

Campaspe Shire Council Mayor Cr Rob Amos and Murray River Council Mayor Cr Chris Bilkey. Campaspe Shire and Murray River councils are working together to deliver the Echuca Moama Torrumbarry Flood Study.

## Waste Services

### Household Flood-Affected Waste

All resource recovery centres (RRCs) located in Echuca, Kyabram (Mt Scobie), Rochester, Rushworth, Gunbower, Lockington, Colbinabbin, and Toolleen will continue to accept household flood waste (under three cubic metres), free of charge until 1 October 2023. This is at the discretion of the operator. Contact details of householders will need to be provided to the RRC at the time of drop off to use this free service.

For opening hours of each RRC, please visit: [www.campaspe.vic.gov.au/rrc](http://www.campaspe.vic.gov.au/rrc) or scan the QR code.

### Building Waste

Residential quantities of building waste (less than three cubic metres) may be taken by residents to any of Council's resource recovery centres. For more information, visit Council's website [www.campaspe.vic.gov.au](http://www.campaspe.vic.gov.au).

### Commercial Volumes of Flood Waste

Residents and commercial operators with over three cubic metres of flood waste can contact a local landfill for disposal options. The closest landfills are Moama Landfill (Murray River Council), Shepparton (Cosgrove) and Patho Landfill. Patho Landfill only accepts trucks that are equal to, or larger than, a light rigid while Moama and Shepparton (Cosgrove) landfills accept flood waste over three cubic metres and any truck size is accepted.

Greater Shepparton City Council currently requires that all flood waste to Cosgrove Landfill (Shepparton) is pre-registered with Campaspe Shire Council and then a disposal time pre-booked directly with Greater Shepparton City Council. To pre-register, scan the QR code, visit Council's website [www.campaspe.vic.gov.au](http://www.campaspe.vic.gov.au), or call Council on 1300 666 535.

### Recovery Hotline

For information on clean up services, temporary accommodation, and mental health and wellbeing support call 1800 560 760.

### Council Information

For the latest new news and information on flood recovery, including previous community recovery newsletters, visit [www.campaspe.vic.gov.au/flood](http://www.campaspe.vic.gov.au/flood).

# Help Shape Campaspe's Economic Future!

Help shape Campaspe Shire's economic direction by contributing to a new five-year **Economic Development & Tourism Strategy** for our shire.

Whether you run a local café, are the head of a global enterprise or are interested in the prosperity of local towns, everyone's voice is important.

Here are some ways you can get involved:

## Half-Day Summit

Friday, 21 July  
7.30am – 12.00noon

Come along to this great networking opportunity and share your insights, ideas and priorities for Campaspe's economic future. With the economic landscape changing dramatically in the past few years, particularly on the back of the pandemic, fires and floods, there's never been a more important time for businesses, organisations and other interested individuals to come together to help shape Campaspe's economic direction and drive greater tourism growth into the future. Guest speaker, renowned demographer Simon Kuestenmacher, will reveal the latest demographic and global trends shaping Australia and the implications of these forces for our shire and region, now and into the future.

To register your interest for the summit, visit [www.campaspe.vic.gov.au/edts](http://www.campaspe.vic.gov.au/edts)

## Industry Forums

A variety of industry forums will also be held.

For more information, visit [www.campaspe.vic.gov.au/edts](http://www.campaspe.vic.gov.au/edts).

## Survey

To take the survey and find out more, visit [www.campaspe.vic.gov.au/edts](http://www.campaspe.vic.gov.au/edts) or scan:  
Closes Friday, 14 July.
